

## Assignment 1

- Study Nerson's paper on BON (available on the course webpage). Compare BON to the Booch methodology based on the criteria introduced in Lecture 1. You can refer to this [report](#) for further information on these methodologies.
- Compare the process of each of the following methodologies to the Fusion process (highlight the similarities and differences): RDD, Booch, and OMT. You can refer to this [report](#) for further information on these methodologies.
