

Assignment 2

- Compare OOSE to each of the following methodologies: USDP and EUP. In each of the comparisons, specify the similarities and differences, and point out the aspects in which one process is superior to the other.
- Compare OPD (the single diagram used in OPM) to the following UML diagrams: Class Diagram, Sequence Diagram, Activity Diagram, Component Diagram, Deployment Diagram, and Use Case Diagram. In each of the comparisons, point out the aspects in which one diagram is superior to the other.
